

## Microfile mini track 48V

code MF113.835D/01

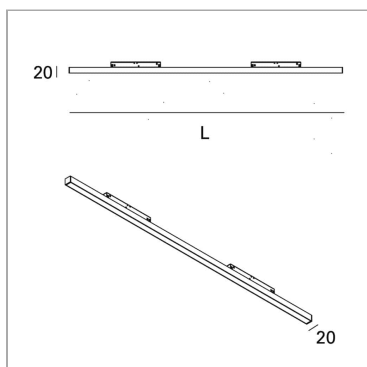

### PRODUCT DESCRIPTION

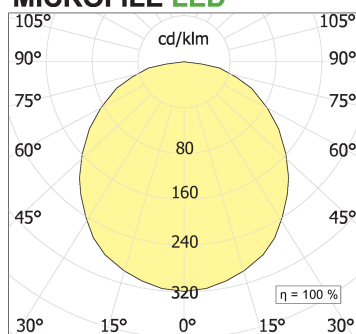

Direct light lamp with connection for Minitrack 24V (rail not included) made of extruded aluminium 6060; complete with led; colour rendering index CRI >90. Professional led modules 33 W high performance, protocol [protocol]. Lamp with white colour finish; [diffusore] in polycarbonate with diffusing film. Protection degree IP40.

### PRODUCT SPECS

|                              |                              |
|------------------------------|------------------------------|
| Installation method          | Mini Track                   |
| Light source                 | Linea Led                    |
| Absorbed power               | 33 W                         |
| Color temperature            | 3500K                        |
| Color rendering index CRI    | >90                          |
| Finishing                    | White                        |
| Luminous flux of the product | 2749 lm                      |
| Luminous efficiency          | 83 lm/W                      |
| Protocol                     | Dimmable Dali / Touch & Dimm |
| Energy efficiency class      | D                            |
| Dimension                    | L1515 mm                     |
| IP Grade                     | IP40                         |
| Protection Class             | Class III appliance          |
| Power supply/Transformer     | Not included                 |
| Protocol                     | See power supply             |
