

## Grid Mini Track

code GRD01.927F/01

### PRODUCT DESCRIPTION

Grid mini track linear light product complete with adapter for low voltage track with integrated DC/ DC converter. Protocol On/Off. Body is extruded aluminium, length 235 mm. Color finish white Optics 24°.

### PRODUCT SPECS

|                              |                                 |
|------------------------------|---------------------------------|
| Installation method          | Mini Track                      |
| Light source                 | Led                             |
| Absorbed power               | 8 W                             |
| Color temperature            | 2700K                           |
| Color rendering index CRI    | >90                             |
| Optic                        | Flood 24°                       |
| Finishing                    | White                           |
| Luminous flux of the product | 554 lm                          |
| Luminous efficiency          | 69 lm/W                         |
| MacAdam color tolerance      | 3                               |
| Life time estimate           | 3SDCM 50000h L90 B10<br>Ta 25°C |
| Protocol                     | On/Off                          |
| Dimension                    | L235xW22xH42 mm                 |
| IP Grade                     | IP20                            |
| Power supply/Transformer     | Not included                    |
| Protocol                     | See power supply                |
