

## Grid Mini Track adjustable - standard

code GRD12.930FD/01

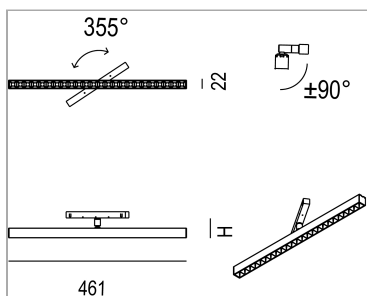

### PRODUCT DESCRIPTION

Minigrig Mini Track is a family of linear light products that mounts a low voltage rail adapter with integrated DC/DC converter. It is characterized by a joint that make it adjustable. It is available in on-off or dimmable Dali version. Available in different sizes 235, 461mm. The body is in extruded aluminium. Available optics medium flood 24° and wide wide 36° certain. Available painted white or black.

### PRODUCT SPECS

|                              |                        |
|------------------------------|------------------------|
| Installation method          | Track                  |
| Light source                 | Led                    |
| Absorbed power               | 16 W                   |
| Color temperature            | 3000K                  |
| Color rendering index CRI    | >90                    |
| Optic                        | Flood 24°              |
| Finishing                    | White                  |
| Luminous flux of the product | 1100 lm                |
| Luminous efficiency          | 69 lm/W                |
| MacAdam color tolerance      | 3                      |
| Life time estimate           | 50000h L90 B10 Ta 25°C |
| Protocol                     | Dimmable Dali          |
| Dimension                    | L461xH22 mm            |
| IP Grade                     | IP20                   |
| Power supply/Transformer     | Not included           |
| Protocol                     | See power supply       |
