

## Ibrida system - module 2 spot

code IB042.927SD/01

### PRODUCT DESCRIPTION

system indoor, complete of 2x led 8 w, color rendering index>90. White finishing

### PRODUCT SPECS

|                              |                         |
|------------------------------|-------------------------|
| Installation method          | system                  |
| Light source                 | LED                     |
| Absorbed power               | 2x8 W                   |
| Color temperature            | 2700K                   |
| Color rendering index CRI    | >90                     |
| Optic                        | Spot 19°                |
| Finishing                    | White                   |
| Luminous flux of the product | 1279 lm                 |
| Luminous efficiency          | 80 lm/W                 |
| MacAdam color tolerance      | 2                       |
| Life time estimate           | 25000h L90 B10<br>ta25° |
| Protocol                     | Dimmable Dali           |
| Energy efficiency class      | D                       |
| Dimension                    | H450 mm                 |
