

## File H system - 24W/M LED BATTEN

code R18FIM8.830

### PRODUCT DESCRIPTION

3000°K è CRI>90

### PRODUCT SPECS

|                              |                      |
|------------------------------|----------------------|
| Installation method          | system               |
| Light source                 | LED                  |
| Absorbed power               | 64 W                 |
| Color temperature            | 3000K                |
| Color rendering index CRI    | >90                  |
| Luminous flux of the product | 3606 lm              |
| Luminous efficiency          | 56,33 lm/W           |
| MacAdam color tolerance      | 3                    |
| Life time estimate           | 50000h Ta 25° L80B10 |
| Protocol                     | On/Off               |
| Energy efficiency class      | E                    |
| Dimension                    | L2800 mm             |
| IP Grade                     | IP20                 |
| Power supply                 | 220-240V 50-60Hz     |
