

## File 30 suspension mono emission

code F3031.827X/01

### PRODUCT DESCRIPTION

Lamp with direct and diffused light from indoor suspension, extruded aluminum profile 30x30mm, color rendering index CRI>80. Epoxy powder coating, colour finish white. Product complete with end and side cast caps in the same finish. Degree of protection IP40. Requires remote system for electronic power supply.

### PRODUCT SPECS

|                              |                         |
|------------------------------|-------------------------|
| Installation method          | Suspension              |
| Light source                 | Linea Led               |
| Absorbed power               | 21 W                    |
| Color temperature            | 2700K                   |
| Color rendering index CRI    | >90                     |
| Optic                        | Microprismatic diffuser |
| Finishing                    | White                   |
| Luminous flux of the product | 2618 lm                 |
| Luminous efficiency          | 125 lm/W                |
| Energy efficiency class      | D                       |
| Weight                       | 0.70 Kg                 |
| Dimension                    | L964 mm                 |
| IP Grade                     | IP20                    |
| Protection Class             | Class III appliance     |
| Power supply/Transformer     | Not included            |
| Protocol                     | See power supply        |
